CALL TO THE PUBLIC:

Guests Bob Lucas and John Hendrix discussed the Grand Gathering. They distributed a handout that was a colorful and informational advertisement for the event. They want the handout to act as a catalyst to get others interested in helping and attending. The idea of the Grand Gathering is to have the gathering at the Q.I.A, with a charge of \$5.00 to cover water and sewage costs. They have invited the Guinness Book of World Records. Having it so late in the season is an attempt to extend the season. Bob Lucas and John Hendrix went on to say that the Quartzsite Business should supply the food. They had the idea that the business might create an incentive for volunteers, such as food coupons, etc.

There will be a Planning Meeting held on March 21st at 7:00 p.m. They are trying to invite the whole community to meet at the Community Center. It is hoped that there will be a press release regarding the Grand Gathering. They need committees for planning, advertising, sponsoring, management and volunteers.
