CAMEL EXPRESS AREA AGENCY ON AGING TICKET PROGRAM

The Town of Quartzsite has partnered with Western Arizona Counsel of Governments, Area Agency on Aging to provide the ticket program. To apply you must be sixty years or older, a full time resident of Quartzsite and meet the financial qualifications. A Social Security award letter or bank statement will provide proof of income. Tickets are dispensed in blocks of 25. You will receive double tickets, when you board the bus tear one off and put it in the fare box. Every time you re-board the bus at a new destination deposit a ticket. You will keep the doubles to help keep track of how many tickets you have left letting you know when it is time to request more tickets. In the Town of Quartzsite the tickets are worth \$3.00 each, out of town the tickets are worth \$5.00 each, you will also deposit a ticket at each new destination when out of town.

If you have any questions about the program or need more tickets please call Janet Collier at 928-927-4333. Your trip to Town Hall to inquire about the ticket program is free.
