MEDIA RELEASE
MAY 9, 2016

On Monday, May 9, 2016, the Town Manager of the Town of Quartzsite, Arizona, Skylor R. Miller, turned in his letter of resignation, effective July 8, 2016, to the Mayor and Town Council. Town Manager Miller has served the Town of Quartzsite for two years, and resourcefully implemented Council's vision for a better Quartzsite while in office. In the letter, Town Manager Miller said it was with a 'heavy heart' that he submitted his resignation, and shared the reason for his departure from Quartzsite, his family's needs. He said Quartzsite is a wonderful community and has great potential, and wishes all the best for its continued move forward. Town Manager, Mr. Skylor R. Miller, and his family will be missed.

Mayor and Council
Town of Quartzsite, Arizona
465 N. Plymouth Avenue
Quartzsite, AZ 85346

Dear Mayor Foster and Town Council,

Service to others is a noble pursuit. I've dedicated my professional career to public service. The idea that I can be a positive force to others around me and make a difference in my community has been the driving force behind everything I do. I want to continue to serve the public in the most tangible way possible. I want to see my service, my actions, benefit the lives of those I serve. This connection to my community inspires me. It drives me. It gives me purpose.

It has been my singular privilege to serve the citizens of Quartzsite over the last two years as your Town Manager. In this time, I have done my best to serve the public, advance the goals of the Council and uphold the ideals of good local governance. The Town has accomplished many good things for our residents and there are many completed or in-progress projects and improvements that will serve the community for decades into the future. We made great strides in ensuring the financial stability of Quartzsite and have created a culture of transparency and fiscal responsibility. We are better prepared to develop the needed infrastructure to handle our growth for quite some time. Tremendous progress is being made in enhancing police services through restructuring and recruitment of our department. Public Works has been reorganized and streamlined to provide quality services, while better utilizing our public funds. These improvements and others have all been accomplished through a cooperative relationship between our elected leaders, Town staff and management.

It is with a heavy heart that I submit my resignation as Quartzsite's Town Manager, effective July 8th, 2016. This decision was not taken lightly, as I am very proud of the Town staff and the team that we have built together. Ultimately, my family and I believe that it is time to turn a page and begin a new chapter. Quartzsite is a wonderful community and has great potential, but our story doesn't end here.

I wish you all the best in moving forward. Quartzsite has a remarkable staff of leaders, managers and employees. It is through their skill and dedication that the Town has accomplished so much. I trust that the Town Council will work with these individuals in moving forward as they are the strength of the organization.

In order to assist in a smooth transition, I will prepare a Town Manager recruitment package for Council's review and advertise once Council approves. The stability of Town Hall is my priority as my tenure here comes to a close. I will continue work on the FY 2017 Budget, the Community Development Block Grant and the many other ongoing tasks. I want to thank you for the opportunities provided me over my time of service and extend my best wishes for the future success of Quartzsite.

Very Respectfully,

Skylor R. Miller

cc: Town Clerk
