TOPIC: Quartzsite Elementary School Traffic Safety Project

On 06/28/16, the Quartzsite Police Department partnered with Grey Mountain Construction LLC on a project to enhance traffic safety at the Quartzsite Elementary School located at 930 West Quail Trail Street in the Town of Quartzsite. Grey Mountain Construction had been working nearby on the Moon Mountain Road improvement project and volunteered to assist with the project. QPD Officers and Grey Mountain Construction workers donated their time, labor, equipment and materials to install speed bumps in the school parking lot.

QPD hopes this project will help reduce speeds of vehicles dropping off and picking up students during school hours and after school events. This project came at no cost to the Quartzsite Elementary School or the Town of Quartzsite. QPD would like to thank Grey Mountain Construction and their workers for their donation to the Quartzsite Community.

Lieutenant Mike Ewald
