Recent Vehicle Burglaries at Local Businesses

On Saturday 12/10/16 and Sunday 12/11/16, the Quartzsite Police investigated three separate vehicle burglaries from three separate victims at three separate locations in the Town of Quartzsite. In each case an unidentified suspect or suspects smashed the vehicle's window and stole property that was left in open view inside the vehicle while the victims were inside the establishments either eating or receiving other services. One burglary occurred during daylight hours and the other two occurred after dark.

The Quartzsite Police encourage its community members and guests to remove their valuables from vehicles or place valuable items out of the view of would-be thieves. These criminals are looking for easy targets of opportunity, are hoping to go unnoticed and have no respect for our community. If you see suspicious activity, immediately report it to the Quartzsite Police via the La Paz County Central Dispatch at 1-888-818-4911 for non-emergencies and **911 for emergencies**.

If you have any information on these crimes, please contact the Quartzsite Police Department and an officer will follow up on the information. With your help, the hard working men and women of the Quartzsite Police Department will locate these criminals and see to it that justice is served.
